

**DEPARTMENT OF MECHANICAL ENGINEERING**  
**TENTATIVE SCHEDULE OF CLASSES (as of Sept 1, 2016)**  
 Spring 2016

	Monday	Tuesday	Wednesday	Thursday	Friday										
8:40															
8:50															
9:00															
9:10															
9:20	MECE E3408 sec. 001 Comp. Graphics & Design S. Vukelic 8:40-9:55														
9:30															
9:40															
9:50															
9:55															
10:00															
10:10															
10:30															
10:35															
10:40	MECE E3408 sec. 002 Comp. Graphics & Design S. Vukelic 10:10-11:25														
11:00		MECE E3311 Heat Transfer A. Narayanaswamy 10:10-11:25 (80 max)													
11:10															
11:20															
11:25															
11:30															
11:40															
11:55															
12:00	MECE E3408 sec. 003 Comp. Graphics & Design S. Vukelic 11:40-12:55	ENME E3105 Mechanics J. Hone 11:40-12:55	EE E3331 Electronic Circuits D. Vallancourt 11:40-12:55	DEPARTMENTAL FACULTY MEETING 11:30-1:00	AM E4301 Numerical Methods/PDE K. Mandli 11:40-12:55	ME E1008 Intro to Machining M. Haroun 11:40-12:55	MECE E3408 sec. 003 Comp. Graphics & Design S. Vukelic 11:40-12:55	ENME E3105 Mechanics J. Hone 11:40-12:55	EE E3331 Electronic Circuits D. Vallancourt 11:40-12:55	ME E9500 sec.002 Graduate Seminar M. Ciocarlie 11:40-12:55	AM E4301 Numerical Methods/PDE K. Mandli 11:40-12:55	ME E1008 Intro to Machining M. Haroun 11:40-12:55	ME E9500 Graduate Seminar M. Ciocarlie 10:00-1:00	R02 E3311 Heat Transfer Sec 001 Narayanaswamy 10:10-11:25	ENME E3105 Mechanics J. Hone 11:40-12:55
12:15															
12:20															
12:30															
12:40															
12:50															
12:55															
1:00															
1:05															
1:10															
1:20															
1:30															
1:40															
1:50															
2:00															
2:10															
2:15															
2:20															
2:25															
2:30															
2:40															
2:50															
2:55															
3:00															
3:10															
3:20															
3:30															
3:40															
3:55															
4:00															
4:05															
4:10															
4:20															
4:30															
4:40															
4:50															
5:00															
5:10															
5:20															
5:40															
5:50															
6:00															
6:10															
6:20															
6:30															
6:40															
6:45															
6:50															
7:00															
7:10															
7:20															
7:30															
7:40															
7:50															
8:00															
8:10															
8:20															
8:30															
8:40															
8:50															
9:00															
9:10															
9:20															
9:30															

Robotics Focus

Energy Concentration

Micro/Nano Concentration

Juniors

Seniors

Electives

Non-ME

Fac Mtg/Seminars

Recitation
